REASONS FOR ALLOWANCE

The allowance is based upon the reply of November 30, 2004.

The supplemental reply filed on December 7, 2004 was not entered because supplemental replies are not entered as a matter of right except as provided in 37 CFR 1.111(a)(2)(ii). The original amendment had already been considered and deemed allowable. The broader claims in the supplemental reply would not have been allowed and would have required additional searching and consideration after the application had been prepared for allowance.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A Osele whose telephone number is 571-272-1235. The examiner can normally be reached on M-F 9:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christopher Fiorilla can be reached on 571-272-1187. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
